Greetings from AICTE!!

As you are aware AICTE/NETF developed the National Internship Portal which serves as a marketplace for bringing valuable, industry-linked, paid, full-time or part-time internship opportunities to more than 1.97 Crore students across the country with valuable professional experience and internship completion certificates. More than 29 Lakh internship opportunities are already offered through the National Internship Portal. The portal is a one-stop solution for internship opportunities in the Ministries and government departments as well as MSMEs, corporate Sectors, NGOs, Startups, and Research organizations. It is envisioned to reach a target of 1 crore internships by 2025.

The National Education Policy (NEP) and National Credit Framework (NCrF), enable recognition of all types of learning and provide for multiple pathways for learners to move from skilling/upskilling/reskilling/internship to education and vice-versa. Accordingly, the internship programs offered through the National Internship portal may also qualify for credit points as per Guidelines on Creditisation of Skilling & Training Courses & Qualifications of Multinational Companies (MNCs) and Leading Indian Enterprises.

In this connection, the following authorities would deliberate in detail about these guidelines through a virtual meeting which is scheduled on 13<sup>th</sup> December 2023 from 4:00 PM onwards:

1. T G Sitharam, Chairman, AICTE
2. Anil D Sahasrabudhe, Chairman, NETF
3. Nirmaljeet Singh Kalsi, Chairman, NCVET
4. Buddha Chandrasekhar, Chief Coordinating Officer, AICTE
